COOGEE

6-10-5-8-3-4

Can you hear [opposition] sing?

I can't hear *anything*!

Sorry if you came here looking for a win.

Cause now we're the ones wearing the grins.

On a lazy Sunday arvo come down by the sea.

And you will find the mighty Dolphs creating history.

Our forwards are the hardest quickest backs you'll ever meet.

Dolphin boys, here we are, never to retreat.

So now it's time to celebrate and hang out with my mates.

The Coogee boys are out tonight, we've won another match!
